WhatsApp conversation:

ORLA

Hey Patrick, how's it going?

PATRICK

Hi Orla, I'm good thanks. I'm watching a series called Stranger Things.

ORLA

*Oh I've heard about that. Is it good? What's the **plot**?*

PATRICK

*Well, four boys make friends with a strange girl. They are the **main characters**. The girl has mind powers, like telekinesis! And there's a mysterious portal in the town that connects to another world...*

ORLA

*Wow! Where is it **set**?*

PATRICK

*It's **set** in a small, quiet town in Indiana in the United States.*

ORLA

*And are there any **villains**?*

PATRICK

*Yeah! It's pretty crazy! Monsters come from the portal and terrorize the town. There are some human **villains** too.*

ORLA

*Wow! Sounds scary! And the **heroes**?*

PATRICK

Well, the five kids, I guess! They fight against the monsters and take care of each other.

ORLA

*What about the **cast**? Do I know any of the actors?*

PATRICK

The most famous actress is Winona Rider, for sure. But the rest of the cast are fantastic too, especially the kids.

ORLA

Oh Winona Rider is great! Is it long? I don't really like very long series...

PATRICK

*At the moment there are only 3 **seasons**, and they're all on Netflix!*

ORLA

Oh fantastic! I think I have a new series to watch then!
